CHAIRPERSON (Michael) Opened the meeting and welcomed those present
Thanks to Ray for purchase of microphone system
Special welcome to Brett and Damian Qld members

ATTENDANCE Members

ULI Ideal hydrogen generator – ideal power supply – low voltage/high amps – currently being patented in US. Power supply on hydrogen
Vehicles (combustion enhancement). 120 amps continuously – super efficient – for turbo charged large diesel. Non-toxic electrolyte. Creates very little heat / over 90% efficient – believed to be most compact efficient system in the work.

This meeting scheduled for Speaker **ANDREW LARKIN**
REALITY – HOW TO PLAY IT.

Andrew gave a fascinating and informative account of those things which enslave us and the solutions which will free us – For further information and material on this contact Andrew.

Issues – From 1917 – 1998 constitution slowly eroded. 1998 – Remaining a monarchy invalidated the constitution. All western countries bankrupted to the IMF.

Only 3 laws (i) damage a person/individual (ii) damage a property (iii) do a mischief in contract – all the rest are statutes.

A motor vehicle is only a motor vehicle if it is registered. Jervois Bay is a separate territory.

Private Post Codes 8000, 9000

South Australia was set up under the “Adelaide Company”

“We Are Young and Free” DVD – Australia is registered to trade on the Stock Market.

Australia has an ABN. In 1700 British Government passed a law that made government a corporation. Channel Islands and Isle of Wright currencies not securitised.

South Australia can become a free and independent entity only when it is free of debt.

The Commonwealth is the child of the States.

It only takes 4 people to roll the largest corporations in the world – class action.

GEN INFO Coffee grown in phosphate in one of the main causes of cancer
