Adelaide was a the forefront of copy machine design
Claims are at the heart to the patent system – ability to define your invention. Copywrite – no cost Patent – Cost
Issues – Freedom to operate in challenging environment
Confidentiality – Speaking about invention causes loss of patenting rights. Keeping secret buys options.
Case history CPAP machine inventors lost patent
Patent can provide monopoly in most countries for 21 years for simple description of device.
New Test – valid and enforceable. Local verses absolute
Australia now on absolute system. NZ still under local system - 4-5 years from invention to return on idea. Approx 3 years in “Valley of Death”.
Find a very experienced patent attorney.
\$15-20,000 for Aust Patent 21 years cost spread over period
\$500,000 for patent in about 20 countries alive for 21 years
Litigation costs (more rare) \$100k to \$5m < 50% chance of win
Navy Cash Card was successful patent worth \$5bn
Patent format - Defining statement – Abstract – Diagram/Drawing
Flinders Friends, Playford Capital will do patent work for \$50%
Private Investors have been traditionally good source of funds
JV can be very extractive and not constructive
Members given examples of patent format.
Need best possible advice as soon as possible.
Dependent patent is a patent with improvements
Clear publication – File a provisional patent
If Govt agencies find a military application can declare SECRET
Crown use provisions very politically unpopular and difficult to do in practice – has happened.
Petty Patent has been replaced by Innovation Patent

People without sufficient resources have sold shares in design to help protect patent

China is the most litigious country in the world in protection of patent rights. There are many pressure which can be applied before need to go to court.

Good process to sign Confidentiality Agreement – but be careful whom you offer it to.

Harold Schultz takes great pride in helping small operators off the ground – Capsaicin & Broccoli (Cure for Cancer)

Tesla - anyone can take up a Tesla patent. Some Tesla patent not fully described.

After 21 years patent expires and open to public. Drugs can be longer. If patent payments lapse patent can be acquired in less time.
