

Minutes of A.S.T.R.O. Meeting
Held 7:30 p.m. Friday October 13, 2009
252 Franklin Street ADELAIDE

This special meeting was held at the Adelaide office of the Internet service provider Internode.

The 50 ASTRO Members who were in attendance on the night were invited to for an interesting close-up view of the Tesla Roadster owned by Internode Managing Director Simon Hackett.

Following a demonstration lap of the Tesla Roadster ASTRO Members were treated to a fascinating private guided tour of the Internode facility and insight into the world of the modern service provider.

At the completion of the meeting ASTRO Members had coffee and cake at the Elephant & Castle Hotel.
